CORAM: S.B. MHASE, J.

DATED: 10TH APRIL, 2006.

P.C. :

1. The certificate under Section 101 of the Co-operative Societies Act was issued as against

the present petitioner on 11.5.1991 which was challenged by filing a Revision Application before the Joint Registrar, Co-operative Housing Society wherein stay was granted on 28.8.2000. The matter was fixed for hearing on 23.7.2001. The petitioners did not remain present and therefore the advocate for the respondent society was heard and the matter was disposed off by an order dated 23.7.2001. The petitioners thereafter have not done anything and have filed a revision application before the authority which was not entertained holding that there is no ground for review made out. The said order was passed on 28.12.2004 and thereafter the petitioners have moved this court. The petitioners have not explained the delay and latches on their part as to why the matter was not prosecuted by them and they have not moved this court. The petition suffers from latches and this court refrains to entertain the matter. Petition dismissed.
